The CHALLENGE

The institutional investor has been unable to buy cryptocurrencies with their existing trading infrastructure ...
... and demand for access is high

“By some estimates there is \$10B of institutional money waiting on the sidelines to invest in digital currency today.”

Brian Armstrong
CEO

coinbase

<https://cointelegraph.com/news/coinbase-custody-targets-10-billion-in-institutional-funds-for-bitcoin-investment>

“It’s getting harder for institutional investors to ignore crypto- currencies”

Robert D. Boroujerdi
Research Analyst

Goldman
Sachs

ICO information
presented

4

News from 40k media
publications, blogs &
social media outlets

Institutional Grade Analytics

Information for hedge funds to make informed decisions

1

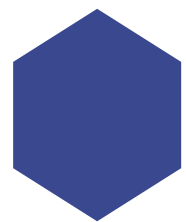

Trading Data Analytics

2

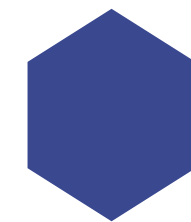

Charting Tools for all trading strategies

Institutional Grade Execution

Execution Management System Helps Decide How to Direct Orders

Displays prices from
market makers

Displays prices from
exchanges

Partnership Model

An Open Community Creating Continuous BCT Coin Usage

Partnership

- Sister company CG Blockchain exclusive with FACTSET, an \$8B public company, which services asset managers with \$16T AUM
- 88K Installed users for Compliance Guard monitoring / audit Services
- FACTSET'S FX Toolset may be extended to support crypto trading via algorithms

Development

- Open source app store
- Community incentivization plan

Objectives

- Best-of-breed applications sourced and curated from global talent

Tokenomics

Utility System For Coin Usage

BCT Token Required To:

- Register
- Transact
- Add apps
- Use apps
- Store data

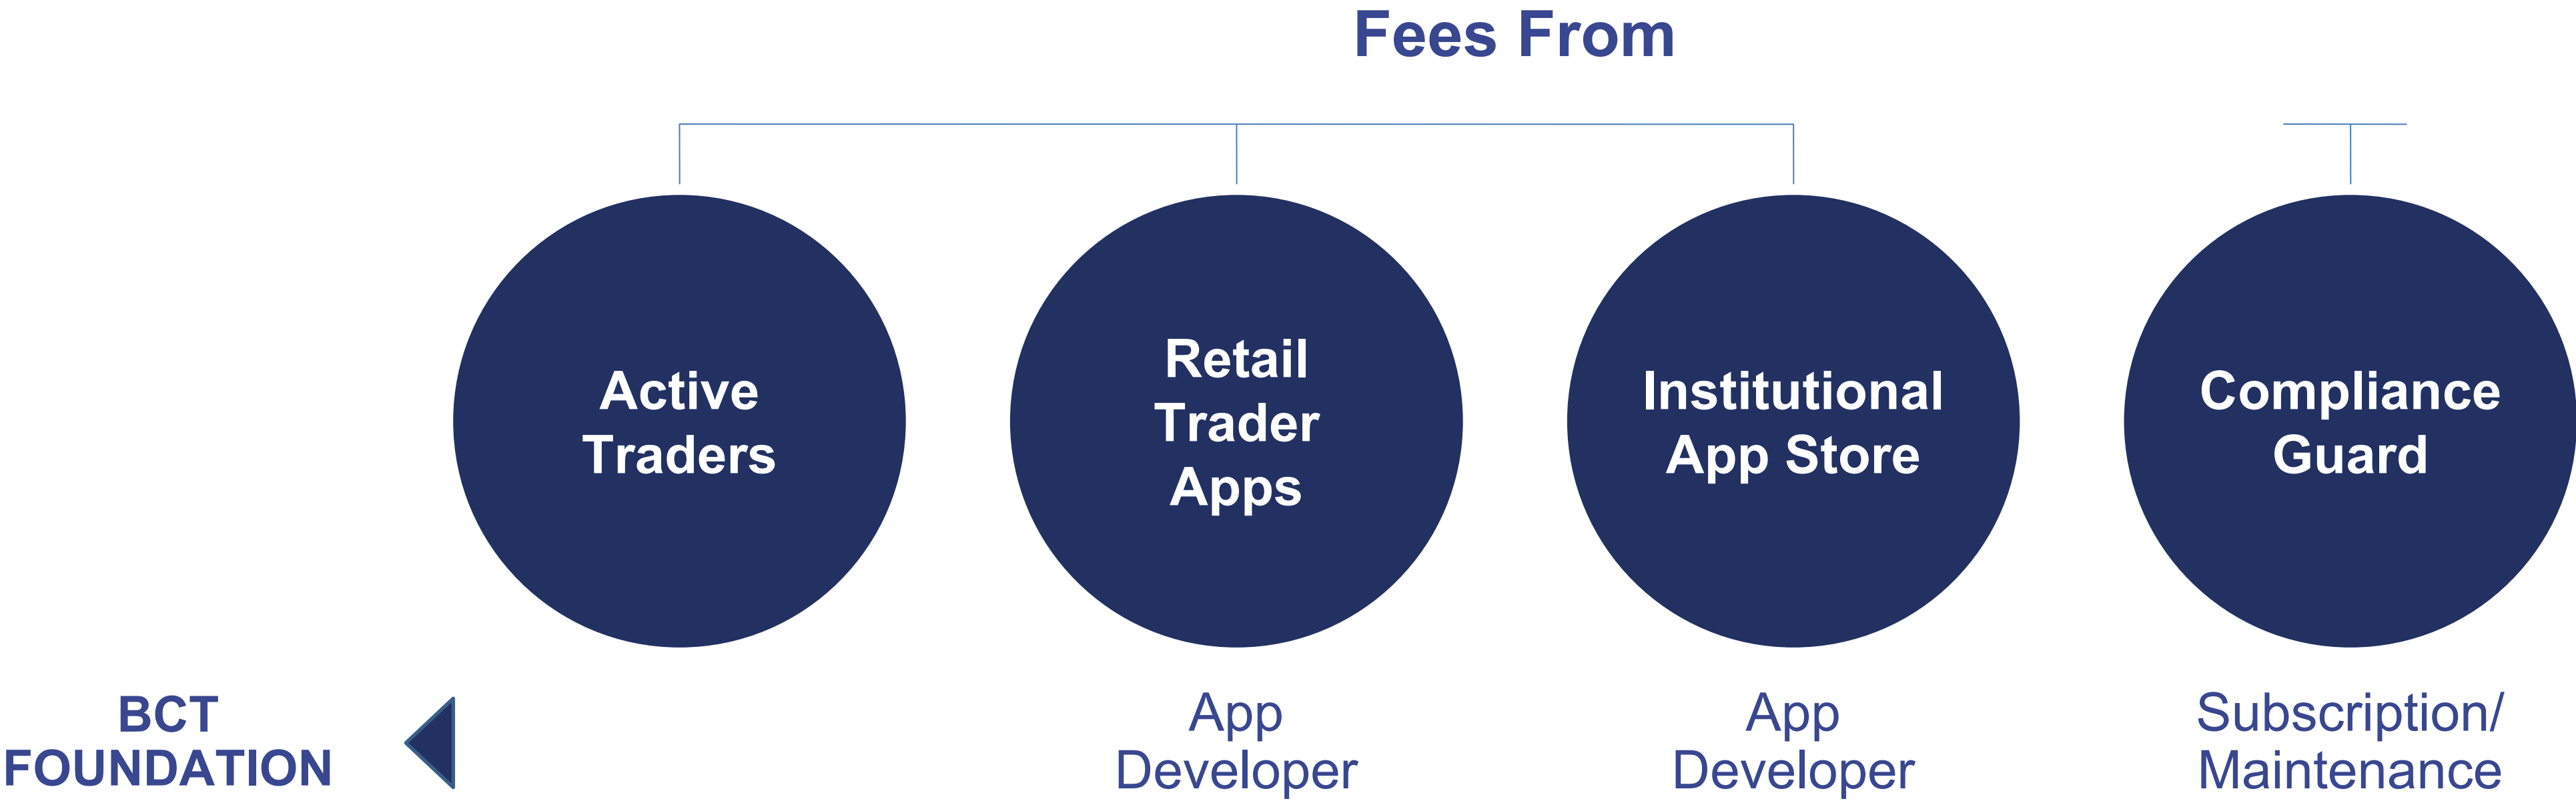

BCT Token Revenue Share for Creators

- App revenues
- Transaction fees

BCT Token Incentivize

- Traditional vendor applications to extend to crypto using token
- Hedge funds spend \$3 trillion / year in software and services

Planned BCT Ecosystem / Coin Usage

The Competition

	Bloomberg	 THOMSON REUTERS	 
Open, extendible ecosystem			
Third-party developer providing best-of-breed apps			
Blockchain-based compliance underpinning			
Real-time blockchain compliance monitoring/alerts			

We've assembled a global mix of Blockchain and Hedge Fund experts to create a leadership and advisory board that we believe is second to none.

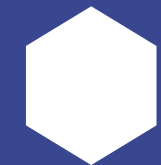

Industry Leading Experience

Over 30 years Wall Street Technology experience.

Former Chief Information Officer of two large asset management firms in the US:

- OppenheimerFunds (\$250 Billion AUM)
- AllianceBernstein (\$500 Billion AUM)

Working in the crypto/blockchain space since 2013

Bob Bonomo
